

Voice 1 = 140

1/1 In my mind I can see all these other kids and me, And we're sitting in a class doing

CHORUS

His-to-ry: In the strong sun-light the air is kinda bright With a thousand little particles of something white, see the

Teacher walk, see the teacher talk, she's writing on the black-board with chalk. 2/2 I've

been to Block-busters for a film to rent, And I'm list'ning to my Walkman, a Christmas present. At

school we did equations that they call quad-ratics In my least fav'rite lesson - double Mathematics.

CHORUS

Teacher says it once, and says it all a-gain; Now she's writing on a white-board with a black pen 3/3 For my

birthday I was given Play Sta-tion 2. We're all gonna try it when school is through. When Christmas comes around I

CHORUS

Wanna get the Wii, It'll knock the stuffing out of Geog-ra-phy. I'm sitting with my mates in the Science Sector, And

Teachers writing stuff on an overhead pro-jector

school work-load by watching the O-lympics, just up the road. We all use computers now, watch the teacher go

CHORUS

Putting on a tech-no- Education Show. We all use computers now, watch the teacher go,

Putting on a tech-no- Ed-u-ca-tion Show.
